**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband consumers demand competition. Giants like ATT and Verizon want smaller providers out of business. This will result in price hikes for internet and phone service. We have seen this story before. This country was built on competition as a way to spur innovation and price competitiveness. Reject the competition cutoff.
